Fucky Gym

My wife Tina's a few years younger than me and has a much stronger sex drive than me, so after trying to keep up with her for a while I gave in and said I didn't mind if she cheated on me now and again, as long as she always told me all about it. She eagerly agreed, and that's how we've carried on ever since – with lots of our best ever fuck sessions coming immediately after she's told me all about her

in my life," she confessed, and I immediately felt my cock stir. "Dave at the gym's been after me for weeks, and tonight I finally let him have his wicked way. I could barely get his fat prick into my mouth, and when he stuffed it up my dripping pussy I couldn't stop cumming until he pumped me full of his sticky seed! Do you need proof?"

I nodded, and as she stood in front of me she pulled her spunk sodden panties to one side to show me her matted pubes and well-used fuck hole.

"I bet you'd love to lick me out now, wouldn't you?" she suggested, and again, as my knob raged, I couldn't argue. I leant forward and got stuck in. Her cunt tasted musky and spunky, and I feasted on her gooey quim, nibbling her hard little clit, until she finally asked if I was ready for a fuck myself.

Needless to say, of course I was, and I yanked my cock out from

latest escapade.

When she signed up for a local gym club and started telling me how hunky one of the guys there was I knew what was on the cards, and sure enough she came home from the gym about an hour later than usual, grinning and glowing in post sexual pleasure.

"I've just been sucking the biggest cock I've ever seen

my trousers and slotted it into her dripping slit.

"Mmm, two cocks in one evening," Tina grinned. "Now fuck me hard and give me my second helping of spunk!"

The thought of my cute little wife being fucked silly by some muscly hunk at the gym danced in front of my mind's eye as I slammed my prick into her, and not

surprisingly it didn't take long before I was pumping my jizz into her, where it mingled with that of her new lover.

Since then she's fucked Dave more or less every week, and has even started talking about bringing him

home so I can watch as his fat prick spreads her pussy lips wide. I pretend to be outraged by this thought, but it always gives me a stiffy and I know it's something we'll be doing soon!

Paul, Southampton.

Sneaking round a farm late at night's not usually something we get up to here at Escort, but when our snapper said he had a nice idea for a shoot we thought we'd give it a go – especially as it meant spending a few hours hanging out with Tiff James and her glorious body!

Well everybody loves a roll in the hay, don't they?" she grinned when we finally tracked down our location, "although that smell's a little bit off-putting!"

God, they always say that. I thought the niff of those pigs would have disguised it!

BBC PHWOAH!

Surely if you've got a fear of black penises the very last thing you're going to do is suck them and then fuck them, but that's exactly what the five cuties in this 3 hour extravaganza do, which makes me think they're not all that afraid after all! Blonde Riley Star gets herself in the mood with a strip and a rub before her well-hung stud springs his cock on her and the little tart

can't get enough of it, with a great reverse cowgirl shafting along the way before she gets a faceful of jizz. Covergirl Hannah Hays is a sight for sore eyes as she accommodates her BBC one way or another, and Zoe and Tali do their best to take every inch of black meat available as well. Available from your local sex shop.

A STEP TOO FAR!

Step family shenanigans seem to be so popular these days that PornDoe Premium have dedicated an entire line of releases to the subject - Kinky Inlaws (although in-laws aren't the same as steps, are they?). There's plenty of stepfather/stepdaughter action, of course, although the opening scene takes that basic scenario and gives it an odd twist by having the randy pair dressed up like they're attending a masque ball. There's certainly

plenty of balling going on, even if their final realisation who the other is is rather undermined by the fact that neither's been wearing their mask for most of the fuck. Best scene is probably the one that sees busty Valentina grappling with her stepson with Lara to lend a hand/pussy when required. Available from you local sex shop.

Dear Julia

I always turn to the Show Us Yours section first, and have to say I'm never slow to show my appreciation to all the readers' horny wives and girlfriends who've been brave enough to send in their pictures (sadly I've never been able to persuade my own wife to pose for any mucky pictures, let alone send them into Escort! I can only imagine what a turn-on it would be to know guys all around the country are tugging their cocks over pictures of your other half!). They're a constant reminder that sexiness comes in all shapes and sizes, not to mention ages, and it was a special treat to be able to feast my eyes on your 'Star Wife' Lola, even though at just 21 she's a star girlfriend rather than wife! I hope she develops a taste for naughty modelling, because I'd love to see her pictures as she matures a bit more, just like I've done with some of your SUY regulars over the years. Please pass on my compliments to Lola and all your other horny wives/girlfriends, who've done so much to brighten up the world!

Dan, Bexhill.

Julia says: We will, Dan - and add a big thank you from us as well!

DEAR JULIA

Dear Julia

As a dyed-in-the-wool breast man, I was blown away by the sensational Lana and her magnificent knockers in your latest issue. In all but one picture (when her leg was in the way) it was apparent that she possesses one of the finest pair of boobs I've ever seen, with that picture of her posing with her legs tucked behind her shoulders offering your readers possibly the finest spunk target I've ever seen in my life! Please, please, let's see more of Lana and those wonderful tits!

Sam, Hove.

Julia says: They really are magnificent, aren't they? Don't worry, Sam, we'll definitely be doing our best to get her back in Escort soon!

Her name
Is Lola...

Catalia Valentine's a fresh-faced British cutie who made her debut in Escort recently, and this film reveals the secret of her fresh-faced charms - she's got a craving for having her boat slathered in wads of gonad

goo! We start with Catalia in the middle of a blow-bang, complete with background chat, until everyone goes quiet and the jizzing starts. She's then joined by some other cock-mad chums for some full-on gang-bang action. Available from you local sex shop.

There's definitely something to be said for a masturbator sleeve that offers some visual stimulation as well as just physical, and this one definitely scores on that front, with a lifelike pussy or puckered arse both looking extremely inviting. The ribbed texture inside is sure to please, and with the option to insert a 10 function double bullet vibe you'll be creaming in no time. Also included is a cock ring to keep your pecker primed, and some renewer powder to keep the whole thing looking and feeling pristine. All you need to provide is a couple of AA batteries, and a cock!

REAL WIFE SEX

Jess knows how to keep the handymen in line

"I could feel every centimetre of my fanny getting stretched and boy was that good!"

We're having a lot of work done on the house at the moment and my husband has been a dick and left me to sort it out. I decided that I needed some help from the joiners, Tony and Alan were the main blokes on the job so I needed to get them on side. To get the best from them I thought I would give them an interim bonus. I'm not used to dealing with workmen as we've never had this kind of work done before so I had to give it some thought. One night as they were leaving I said we would need to plan the next weeks work, that was new to them, but with bemused looks they agreed that a meeting the next morning would be good. My

husband was working away as usual so I had the evening to plan. I had a glass or two of wine and my mind went to work.

I woke early the next morning, showered and set to donning my sexiest black threepiece, plus stockings. I'm in my late thirties, five feet four and slim, and still look OK, I think! As the heating was off the guys were used to me walking around fully dressed with my dressing gown on top at any time of day to keep warm so this morning was no different. When they arrived I asked them into the sitting room which was the warmest room in the house, and especially so today!

I started off; "OK, we've fallen back on the schedule so I thought you guys needed a bit of a bonus to get us back on track". I then let the dressing gown drop to the floor and watched their eyes widen and jaws drop. I stepped towards them; "Let's start the meeting here."

I reached forwards and stroked the front of their jeans, the reaction was pleasantly impressive. A brief glance at each other, they then simultaneously reached forward and started cupping my breasts, Alan rubbing my nipple which stiffened and sent shivers through me. That was it, their hands were all over me, stroking my bum and thighs and then back to my breasts. The speed in which they covered my whole body was amazing as was the excitement building in me. In a pincer movement they unhitched my bra and released my boobs. Tony was lapping away at my nipple in seconds and I was loving it. My nipples hardened more, the sensation was electric.

So now it's my turn I thought, and pulled them away from my tits. Dropping to my knees, I took hold of Tony's zipper and yanked it down. I reached inside to pull out a nicely hard cock, then rubbed the foreskin back showing a nice plump helmet. I started to massage the shaft and sac gently with one hand and was rewarded with moans of encouragement. I turned to Alan who had helpfully dropped his pants and was quite taken by surprise. Alan was the rugby player of the two, stocky and well built which was evident by his cock. Shorter but much thicker than Tony's.

Wow, I thought to myself, that will take some effort! They were both sticking up like stair rods with their owners grinning widely, with one in each hand I continued the massaging. After a few minutes I bent forwards and took Alan's in my mouth, I could barely take it all in so licked up and down the shaft and around the head. I didn't think it could stiffen any more but he groaned and it turned to solid steel. Out of fairness and to ease the ache in my jaw I turned to Tony and did the same, his cock jumped to full hardness and he moaned his appreciation.

I was still massaging Alan's balls and shaft when he pulled away. Stepping behind me, he very gently held my waist and pulled me to my feet, still with Tony's cock in my mouth. He easily lifted me and in seconds he was helping me to step out of my thong. He knelt, I spread my legs and invited his tongue into my pussy from behind. It was my turn to whimper as his tongue delved deep inside me. I pushed backwards and gently wriggled as his tongue darted back and forth, my legs very nearly gave way. My pussy got wetter and wetter as he sucked the juices from me.

I then pushed Tony back onto the couch and he hurriedly whipped off his jeans, I straightened up, turned to Alan who was still kneeling and pulled his face back into my crotch. He certainly knew how to lick me out. I then felt Tony's hands at my waist and a pull backwards, he guided me onto his cock with a deft aim and I slipped down easily. After taking a deep breath, and a moment to settle I started to slide up and down effortlessly. Tony stared at my bobbing arse as if transfixed. Alan stuffed his cock back in my mouth and I slurped eager to please.

After a few more minutes of bouncing up and down on Tony, I looked up at Alan and said, ok it's your turn. As his cock was thicker I wanted to be in charge this time. I told Alan to sit next to Tony on the couch. I lifted off of

Tony, and with a smooth pirouette stepped over Alan, I grabbed his post and began to lower myself onto the widest cock I'd ever had. I think starting with Tony helped but I could feel every centimetre of my fanny getting stretched and boy was that good. I gasped, sank down further on him and then tried to relax on his pole. There was a pause, I needed to gain composure, I needed to be in control. I told Tony to stand so I could suck my own juices from his cock. I gently gyrated my hips for a few minutes before I really felt I could cope with Alan's size. It was a good job I was so wet as I slipped up and down his pole, slowly at first, watching his facial grimaces. I was getting used to the size of his dick which pleased me immensely and I began to quicken the pace as I danced, gripping him inside me.

Things for Tony were now getting tense. His thrusting at my mouth quickened, I felt his balls tighten and a wave of contraction spread up his shaft, he grabbed the back of my head and pulled my mouth deeper onto his cock. I pulled back licking all the way and just reached the head when great globs of cum emerged at speed. I couldn't take it all and some dribbled down my chin which added to the look of total abandon. I could now concentrate on Alan but needed a bit of help. They obviously work as a good joinery team and this carried on here. I leaned backwards and felt myself falling as Alan was thrusting upwards into me. At that moment I felt Tony's hands support me under my arms and reach forwards to stroke and squeeze my nipples again. Impaled on Alan's cock, I whipped both my legs forwards, resting my feet onto his shoulders as he and Tony lifted me up and let me drop back down on to his shaft. Bloody hell was this good. I felt every single thrust pulse through me and the attention Tony was paying to my tits was really helping.

Another four or five thrusts and I was feeling my own end was in sight, I thought I was going to faint. Having four hands on me at the same time and the biggest cock I'd ever had well inside, was too much and I started to convulse with pleasure, the tidal waves hit me and I

was gone, I sat down hard on his cock, tried to muffle my groans and shivered. I wriggled until I could hardly move anymore and then just wilted, only to be lifted again as Alan grunted and I felt him shoot into me with more power than I'd felt before.

On readjusting position, I sat forwards and relaxed on his chest. I was knackered and frankly, well fucked! I felt him reduce inside me and then slowly regained a bit of strength in my legs. His come drained from me as I raised myself, I took a step back, leaned forwards and took one last slurp of our combined juices.

I thanked Tony for his help and they both grinned with satisfaction, I'd done a good job. I bent over in front of them giving them a lasting view of my sexy little arse, picked up my bra, thong and dressing gown and made my way wearily back to my bedroom to clean up. Now you can both get back to work I said as I walked away and we'll discuss further bonuses later, if the speed of progress improves.

Gift of The cab

A few friends and I were coming home from a great party and by the time it had finished we were all more than a little drunk. I'd booked a taxi for the three of us, and as I was last to be dropped off, I sat up in front with the driver.

After quite a bit of singing, through which the driver light-heartedly winced, we dropped everyone off until it was just me. We had agreed to split the fare, but being a bit drunk I said it was fine, it was all on me. My house was a few miles further on in the next village and we made small talk as we drove on through the dark.

I was probably being a bit flirty with the driver when I realised with a start that I'd given my purse to one of my friends to look after who we had dropped off first, some thirty minutes drive back. I told the driver that I was really sorry but I'd forgotten my purse and that I couldn't pay him that night, but was it OK if he came back the next day to collect the money?

He said that it was really out of his way and would cost him to come and collect it, did I have any money once I'd got home? I thought hard to see if I had enough cash at home but aside from a few pound coins in the car change pot,

02. EMMA

there was nothing. I apologised and tried to think of some way of paying him.

Suddenly he asked, "Are you wearing stockings?"

Actually I was, black ones to go with my little black dress. I don't know what made me do it, but I reached down and pulled up the hem of my dress to reveal the tops of my stockings.

He reached over and stroked the smooth nylon on my thigh; "You can pay me with this," he said. "I know a place..." and with that he pulled off the main road down a small country lane. My heart was racing, what had I promised to do? He pulled into a small lay-by and switched off the engine. I

asked him what he wanted for payment, and without saying anything, he just pulled down his trousers and pulled his cock out of his pants. "If you suck me off I'll take you home, no charge," he said, smiling.

I gingerly took hold of his cock, I could feel it stiffen in my hands as I began to wank it slowly, making him moan. I bent over it and took it into my mouth as I felt his hands run up and down my stockinged legs. He told me I sucked cock well. It was true, some men told me I was especially good at it, and despite only sucking him for my lift home, I thought I might as well make a good job of it. By now one hand was on the back of my head, one on my stocking tops, and I was rubbing the end of my tongue up and down the underside of his cock as I cradled his heavy balls.

He was breathing heavily as I felt his cock swell in my mouth as he uttered the inevitable words; "I'm going to cum!" and I felt the warm salty spurt in my mouth. I lifted my head up off his crotch and looked him full in the face as I swallowed the lot. I asked him if I would get free lifts if I did that again? Can you guess what he said?

Emma, Swindon.

When Roberta asked if we fancied coming round for some swinging in the garden we were on our bikes in double quick time, but it turned out she wanted to show off her new swing seat! Still, there are still worse ways to spend a sunny afternoon...

"Well I did try swinging once," Bobbie confesses, "but it didn't really work out too well. Some kinky clobber, a riding crop and an X-frame? It looks like Chloe Lovette and Ashleigh Doll have got something very naughty in mind!

"I've always got something very dirty in mind!" says Chloe, "especially whenever I've got a cutie like Ashleigh to get stuck into. She doesn't really need to give my bum a smack with that crop to get my juices flowing, but if she insists..."

"I do insist!" grins Ashleigh, giving her Chloe's upturned arse a thwack. "Now stop talking and put that mouth of yours to good use!"

We've known readers get quite upset whenever a girl takes her stockings off with the rest of her gear, but there was no such concerns for Roxi, who reckons she only really feels completely naked without some stockings on!

"Ha, yeah. I don't know what it is — I'm perfectly happy showing off my pussy and ass, but I'd much prefer to keep my stockings on while I'm doing it, if you don't mind! Nobody seems to mind, and even guys who are into foot sex are quite happy to cum over my stockinged toes!"

We're sure they are!

The Good Wife

It's been so hot recently Lucy and I have been doing loads of outdoor fucking.

It was great to get out in the fields and get my cock sucked ready for a full-on fucking session.

And even better in the back garden where Lucy held onto the fence and took a good pounding from behind.

Lucy is a fantastic fuck and cock sucker and doesn't care where she does it as long as her cunt gets a good seeing-to – and I always make

sure it does!

When we were in Amsterdam recently we went to see a live sex show and the fucking and cock sucking on display soon got us really horny.

After we left the show we went into a sex shop with booths where you could watch porno films.

Lucy got my cock out and stuck it in her mouth and sucked me off till my balls twitched and I made a creamy spunk deposit in

£150

her desirable mouth.

The following night we went back there and she got me to fuck her doggy-style and spunk up her trimmed cunt.

It was a great fuck and I got just as much of a turn-on looking at her red wet fucked cunt with my spunk dripping down on to the floor of the sex shop.

We had a great New Year's Eve too as Lucy was constantly gripping my cock in the crowd in a bar we ended up in.

After midnight Lucy got me to go in the ladies' toilet with her – which is a bit of a New Year's tradition.

As soon as I got in there she got my cock out and gave it a good face-fucking.

Then she dragged me into

a cubicle and told me to fuck her.

I bent her over and stuck my cock up her cunt and fucked her till I filled her cunt with spunk.

We went back to the bar and smiled to each other as my cum dribbled down her legs and she fingered her cunt packed full of spunk. Lucy can never get enough of my cock, and I'll never tire of giving it to her as often as I possibly can!

John, Oxon.
